AutoCAD Crack Free Download PC/Windows

Autodesk was incorporated in 1975 and in 1980 it was purchased by American multinational software corporation, 3-M. In 1989, Autodesk spun off from 3-M, and was later publicly traded as a company on the NASDAQ Stock Market. As of 2015, Autodesk has more than 22,000 users, with more than half of the company's turnover coming from customers outside the United States. Two years after the release of AutoCAD, a more complete version called AutoCAD LT was launched for home or small business use. In 1994, the first release of AutoCAD Map for Windows, and in the same year the first version of AutoCAD for Architecture. In 1995, a Macintosh version of AutoCAD LT, and in 1997 a version for iOS. In 2001, the first version of AutoCAD Map 3D for Windows was released. In 2002, AutoCAD LT for Linux was released. In 2006, AutoCAD Map for iOS was released, and in the same year the first version of AutoCAD LT for Mac was released. In 2007, AutoCAD Map for Android was released, and in the same year AutoCAD Map for the iPhone was released. In 2009, AutoCAD Map for iOS 2.0 was released. In 2010, Autodesk began offering a free trial of AutoCAD Map 3D for the iPhone and iPad, enabling customers to explore 3D information in their own backyard. In 2013, AutoCAD Map for the iPad was released. In 2014, AutoCAD Map for the iPhone was released, and in the same year the first version of AutoCAD Map for Android was released. In 2015, AutoCAD Map for the Android phone was released. In 2016, Autodesk released the first version of AutoCAD Map for Fire. In 2017, Autodesk released the first version of AutoCAD Map for Web. Key AutoCAD Version Numbers CAD users need to upgrade their software as they may be encountering new errors, which in turn leads to issues. AutoCAD LT 14.0 and later AutoCAD LT has a number of different releases, and each version has a major number that represents the version release. AutoCAD LT is the second desktop CAD program to utilize AutoLISP as

AutoCAD Download

Interfaces: In addition to the APIs, AutoCAD has a Visual LISP development interface called AISE. LISP is a very powerful language, because it's easy to learn for programmers, but powerful enough to solve many problems. Third party tools: AUTOCAD features a .NET COM API. AutoCAD.NET AutoCAD.NET is the latest version of the AutoCAD COM object model. AutoCAD.NET provides support for MS-COM, and therefore Windows Forms, Windows Presentation Foundation and Microsoft Scripting Edition (MSE)..NET is a powerful, object-oriented programming (OOP) toolkit for the Microsoft platform. In addition to the .NET Framework itself, the AutoCAD SDK contains various SDK tools and utilities, such as the Autodesk Design Review for Windows Forms and the AutoCAD MEP SDK for Microsoft Windows Workflow Foundation. AutoCAD Architecture AutoCAD Architecture (formerly AutoCAD Electrical) is the continuation of AutoCAD Electrical (AutoCAD). Its design was influenced by the need to provide a CAD tool suited for the Electrical Industry. It includes numerous electrical functions for electrical design, such as the addition of lightning strikes, calculation of conductor analysis and power supply analysis. AutoCAD Architecture is described by Autodesk as "an industry-leading solution that caters to electrical design of standard and non-standard designs across the life cycle, from concept to commissioning." AutoCAD Architecture is available as a part of the AutoCAD LT, AutoCAD LT Student, AutoCAD LT Premier, AutoCAD LT Premium, AutoCAD LT Student Premier, and AutoCAD LT Student Premier Extended Editions. PowerHouse PowerHouse is AutoCAD's embedded software that is distributed with AutoCAD (as well as AutoCAD LT and AutoCAD LT Student). PowerHouse can be used to perform geometric operations that can be performed faster than those of AutoCAD and offers an accelerated command line. PowerHouse also allows users to enter and exit an application without exiting AutoCAD. PowerHouse is included with all AutoCAD and AutoCAD LT editions. AutoCAD's object name for PowerHouse is "acmsh". PowerHouse is the successor to AutoCAD Studio. It is no longer supported for Windows 7, and there is no longer a separate, standalone version. AutoC

AutoCAD Crack + Incl Product Key

Download the latest full version Download the latest full version of the cracked Autodesk AutoCAD and install it. * Download the latest full version of the cracked Autodesk AutoCAD from [autocad-cracked.zip](* Double-click the.exe to install it.

What's New In?

The new RAPID MODE allows you to start editing, importing and exporting your drawings without stopping the preview. (video: 5:30 min.) A new Import and Markup Assist panel makes importing and editing drawings easier, and a new Import PDF feature makes it simple to export drawings as PDFs and use them in other applications. (video: 2:50 min.) Drawing Tools: Preview Changes: A new panel for editing drawing items while you're drawing or designing. (video: 5:20 min.) A new command-line tool enables easy viewing of the content of a folder, including the ability to mark drawings, using an optional custom file name to direct the tool to open your drawing. (video: 3:20 min.) Drawing Table: A new panel for easily adding content to table cells and quickly seeing what it looks like. (video: 2:10 min.) 2D Align: A new command and editing tool for aligning drawing components with a 2D reference. (video: 4:30 min.) The Align tool now supports Layers and fills. It also displays the scale factor when aligning multiple components. (video: 4:20 min.) Properties: A new area on the status bar that summarizes drawing properties for the selected drawing. (video: 4:10 min.) Mobile Features: Download AutoCAD Mobile App. Now you can get the latest drawing updates, document search, collaboration, and more, all on your device. (video: 3:30 min.) A new Map view makes it easy to see the map of your building floor plan, without first having to create a map. (video: 3:20 min.) A new Draw from Tablet option makes it easy to create a drawing from a tablet. (video: 3:40 min.) An improved Camera view makes it easier to view the drawing in 2D and 3D. (video: 1:20 min.) A new object search and mobile presence option allow you to immediately see your drawings on a map when you want to work on them or find them. (video: 4:00 min.) A new annotation feature lets you add notes to your drawings and search them as you would any other drawing. (video: 1:50 min.) Share Files: Share drawing projects from the Share dialog. (video: 2:30 min.)

System Requirements For AutoCAD:

Windows 10 Processor: Intel Core i3-3225 (3.10GHz); Intel Core i5-3550 (3.1GHz); Intel Core i7-3632QM (2.80GHz) or AMD Phenom II X4 940 (2.83GHz) or AMD FX-6350 (3.50GHz) or AMD Ryzen 7 1700 (3.0GHz); AMD FX-8350 (4.00GHz) or AMD Ryzen 7 1800X (3.8GHz); Intel Core i3-3220 (3
