So the first part of our project has come to an end!
Thank you for being with us! We have prepared the second stage for you. So, within 12 weeks we will write to you about how we will celebrate the New Year, using only what you are already doing, but, of course, we will improve and supplement. We want you to know that we will be with you this holiday season! We will share new ideas with you, be inspired by your ideas and make our lives a little better!
