Sponsored Ad Blocker Torrent

View all Sponsored Ads and other web content on your desktop while you surf the Web. Sponsored Ad Blocker Cracked Version is the solution to the frustration of ads appearing on your browser window. You can now instantly protect your computer from advertisements and web pages you do not want to see. The purpose of Sponsored Ad Blocker is to help you surf the web while remaining completely safe. Sponsored Ad Blocker is the tool you need to unblock ads and protect your PC from unwanted adware, scams, pop-ups, and other types of web content. You now have the option to block the unwanted advertisements. Sponsored Ad Blocker works by automatically switching your web browser to view a designated webpage while your surfing the Internet. You can now search the Internet and protect yourself from being victim to any unwanted sponsored ads, content, and other web-sites that are not familiar to you. Sponsored Ad Blocker is easy to use. A simple dialog box appears while you are surfing the Internet and gives you the option to view a website as a registered user or as a guest. If you are a registered user, you can continue to surf the web. If you are not a registered user, Sponsored Ad Blocker allows you to be a guest. You will still view advertisements on the web pages, but no information will be saved to your computer. Sponsored Ad Blocker Features: - Advertisements on web sites will not be blocked unless you are a registered user. - You can still view ads on web sites as a guest. - No registration is required to download and install Sponsored Ad Blocker. - Sponsored Ad Blocker is a 100% FREE product and will not slow your computer. - Sponsored Ad Blocker will work on all versions of Internet Explorer, Mozilla Firefox, Opera, Safari and other web browsers. - Sponsored Ad Blocker allows you to have a choice on what you view while you surf the Internet. - This software automatically switches your web browser to view a designated webpage while your surfing the Internet. - Sponsored Ad Blocker is the tool you need to unblock ads and protect your PC from unwanted adware, scams, pop-ups, and other types of web content. - Sponsored Ad Blocker can be configured to automatically close your web browser when it detects an unwanted advertisement. - Sponsored Ad Blocker is easy to use. A simple dialog box appears while you are surfing the Internet and gives you the option to
