Other manufacturers such as Virgin and Barnes and Noble now also offer ebooks. Standards The Digital Content Standard (DCS) provides a framework for the discovery, acquisition, display and delivery of digital content. It describes the underlying specifications, practices, and business decisions required to support quality digital content across any platform. As digital content is embedded with a higher density of information, the DCS also maps to the broader field of information retrieval (IR). The DCS sits on a continuum with the ISO 26262 automotive electronics standard. The DCS is designed to assist digital content owners, developers, and service providers in defining appropriate commercial terms to maximize the value of their digital content, and to maximize the value of the digital content for their customers. Dragon Quest VII Advance Patch 1.9 has a Chinese poster and boxshot for the game, the latter featuring information on the game's development alongside screenshots and art from the game. It does not, however, include the standard Nintendo sticker and box art seen in most of Nintendo's other bootlegs. The patch is loaded up on a GBA SP for the 3DS using a DVD-R copy of the game. It's not the easiest way of doing things, but it's probably as close as we're going to get to an authentic copy of the game. The pack is priced at 100 rubles (\$1.70 USD). Source.
