statistically significant. These findings suggest that adjunct therapies could improve the efficacy of vaccination and of any natural infection therapy in dogs. Weymouth, in the U.S. state of Massachusetts, is a city of more than 47,000 residents. It is located on a peninsula on the Atlantic Ocean in Massachusetts Bay at the western end of the Cape Cod peninsula. The United States Postal Service places the city under the ZIP code 02127, but the city's telephone area code is 978. The port of Weymouth is home to Weymouth Harbor, with the busy daily freight service to New Bedford. The city's beach and dunes have become important nationally in the decades since the closing of the New Bedford Iron Works on the Atlantic Ocean in the late 1980s. The area contains sand dunes that are the subject of a federal dune protection program
