Is the new option menu version 3.6 available? In my location, it only downloads v1.6. But I am able to download the latest version 3.6. Here is a link that shows a picture of the new download. A: No, the 3.6 version isn't available right now. You could download the version 3.1 instead, since it's the last version available in the google drive. Article content It was supposed to be the vision of a new Canada: a country devoted to diversity, pluralism and inclusion. Instead, today we know that, at least in some parts of the country, the worst vision of diversity is the one that holds unchallenged at the highest levels of government. We apologize, but this video has failed to load. tap here to see other videos from our team. Try refreshing your browser, or Opinion: Trudeau's diverse, inclusive vision remains elusive Back to video It was the Trudeau vision of diversity and equality that he bequeathed to his successor, Justin Trudeau, who promised that the election of a Sikh prime minister would help end the divisions and tensions of the 1980s and the Harper era. Instead, we now have the spectacle of the media enthusiastically reporting on all of the prominent white men who are offended by being forced to wear a hijab as an example of what is wrong with a country that, until now, was considered to be a paradise of diversity and multiculturalism. Canada is being divided by politicians, and it is up to us, the people, to put a stop to the stoking of extremism and fear, lest we are all forced to live under a new Conservative Party regime. It is for no one's benefit to have such divisions, and we have a prime minister who promised that he would do everything in his power to ensure that the country would welcome and honour everyone, but who is now working to put every immigrant and refugee under suspicion and fear.[Clinical features of carpal tunnel syndrome in patients with osteoporosis]. The purpose of this study is to clarify the prevalence of carpal tunnel syndrome (CTS) in patients with osteoporosis and to evaluate the change of the
