January 18, 2017St. Saviour's RC Church Full Church Opening and Dedication - Sunday, January 18, 2017 Following the Boston Marathon bombings in 2013, in order to better respond to future emergencies, the Rev. David Johnson, Pastor, has begun to rebuild St. Saviour's Church, in Saugatuck, MI, a church damaged in the explosions. The dedication service will be held Sunday, January 18, 2017, at 10:00 a.m. Here are some facts about the history of St. Saviour's: St. Saviour's was built on land purchased in 1841 by the Reverend Stephen Emerson, Pastor of St. Paul's Episcopal Church, Saugatuck. Emerson was a friend of Harriet Beecher Stowe, the author of Uncle Tom's Cabin. The first sanctuary was designed by Boston architects Henry Bellows and Edward Sears. Bellows had used the style he called Gothic with "the angles cut broad, the surfaces smooth and plain" in many of his church designs and influenced other preachers who would later visit the area. The stained glass windows of St. Saviour's are particularly fine. A The two windows on the east and

west side of the sanctuary were made by the Michigan sculptor and stained glass artist Rudolph Fehr. The sanctuary was dedicated by Bishop Guelph in 1919. The image of the dove in the center of the dome was designed by Edward Pfl e79caf774b
