always have the latest versions of the app. When you plan to go to the cinema, your mobile phone always goes with you. Movie Center, with this application, makes it possible for you to enjoy your favourite films while on the go. Whether your favourite movie is called The Italian Job, Mamma Mia, The Boss or any of the others, you can enjoy them all in one of your favourite moments from the mobile. The application will have the added advantage of knowing the recommended movies by others and the reasons for why it was recommended. When the last one is gone, there will always be an alternative for you. In the meantime, the Movie Center will also allow you to make a new movie card, enter the name of the film, select the genre, actors, country, etc. You can later decide to do what cinema-goers do before the movie starts: adding them to a list of temporary favorites that will accompany you through all the fun. If you prefer to save space, the application will offer you the opportunity to compress your database and save it in the internal memory of your mobile. Finally, you have the advantage of b7e8fdf5c8
