Charlie and Duck in the WSC Game. 08' | LAD - Kino 3:04 Skid Row (1994) Skid Row (1994) Skid Row (1994) What good is an honest, hard-working life in a world where crime, dishonesty, corruption and scheming reign supreme? The beasts in the heart of man are at work again, and this time they're causing an economic collapse that could take decades to recover. So why are they doing this? Simple...they're trying to distract man with materialistic pleasures, but people don't realize that everything they own will be taken away in a future collapse. Buying a "\$100 pair of sneakers" couldn't be further from the truth, but it will buy you power and protection in a world where the strong will destroy the weak. But this power is only temporary, for when the time of collapse arrives, the rich will be the first to go, and the weak will be screwed. Find more films like this at:
