Elden Ring, which was originally released on September 29, 2013, is a fantasy action RPG game developed by Gust. In the game, players enjoy together while seeking Elden Ring, a legendary treasure that allows a hero who wields the power of the Elden Ring to rule the entire world of between. The title is a direct response to the large number of fantasy action role playing games released every year, and also to the title of "Eternal" used as the marketing slogan for other fantasy action RPGs released by the same company. COMMON FEATURES: * A Vast World Full of Excitement - Adventure the world of between (Tartarus) and take part in the main story. You can enjoy a variety of exciting quests in the open fields, and take part in the dungeon challenge of series villains while seeking Elden Ring, a legendary treasure that allows a hero who wields the power of the Elden Ring to rule the entire world of between. * Create your Own Character - Equip a variety of weapons and armor, and cultivate magic with which to fight. Customize your character's appearance. * A Multilayered Story Told in Fragments - The story is made up of several things that occur in succession in the Lands Between. You can see them in order as you play. * An Epic Drama That Born from a Myth - A first-person action RPG in which heroes gain strength by fighting in the world of between. What is between? Gust has clarified that the game is not a straightforward RPG. In addition to exploring the map, you need to first "psychosign" to a door, and once inside, you need to psychosign an NPC in order to enter their mind. In addition, you need to meet certain requirements for each item in order to obtain it. TECHNICAL SPECIFICATIONS * Languages: English, French, German, Italian, Spanish, Japanese, Chinese (Simplified Chinese).
