failed... "I can repeat," Rashazzi
said. - But you yourself said that
she... - I remember. - If she can't...
- she couldn't... - I remember.
"...that was the last one.
Rashazzi nodded and looked at
Payne. "That's all for

today,â€” he said. â€œI have to check what you gave me. I don't want you to waste your time. You can wait or you can take another one. He put his hand on the stack of forms. â€” We have two days to find the safe key and code.
