In a Hajj or Umrah, it is strongly advised that one should recite a short surah of Quran each time one recites a du'a in zikr or du'a of fazil. When we are in a mosque on umrah day, we should start the zikr with janaza or opening of ziarat and end the prayer with recitation of Surah Zumrat. Initially we used to recite Surah Zumrat during our zikr prayer but, for a better experience, start with Surah Janaza. However, if you are on a Hajj or Umrah or you are performing hajj or umrah once in a lifetime, for a good experience recite Surah Janaza. So, here is the recitation of Janaza and Zumrat. The app installation process will take some time. The newly installed app will be checked in the list as per the waiting time. You will see an error if there is any problem with the download process.
