Harris Benson University Physics (1998-01-29) "I can't help but think of what we all lost when we had to sacrifice our freedom for others or just to stay alive. I can't help but admire that you're willing to risk everything to save your brother, if that's the case, not because you want something for yourself, but as far as I'm concerned, I think I have a right to know what you're doing, even if it doesn't mean anything to me at the moment."
